The Fairy Tales of the Brothers Grimm, \$39.99

We're huge fans of the books from publisher Taschen. This newest arrival is so gorgeous. It makes a great gift for new parents, but you'll want one for yourself as well! Honoring the 200th anniversary of the Brothers Grimm fairy tales, this compilation includes vintage illustrations from legendary artists spanning the 19th and 20th centuries. It even includes story introductions and artist biographies making it perfect for children and adults!
