

## Marilyn & Me: Release Party/Book Signing

This Thursday at the Taschen Store on Beverly, Lawrence Schiller, author of the limited edition book *Marilyn & Me*, will be doing a meet and greet.

Lawrence Schiller–Marilyn. 1962

“His series of photographs reveal the curvy as she splashed around in a pool during the filming of *Something’s Got to Give* in 1962. While Monroe tragically died before the film was finished, Schiller’s snapshots are a testament to the actress’ continuing star-power, and just as the legend herself, they still provoke emotion and admiration, 50 years after Monroe’s untimely death” *Anja M. Laden, Flavorpill*
