

# PRIVATE VIEW: MARIO TESTINO

Published Jul 26, 2012

Legendary fashion photographer **Mario Testino** is launching his new book, *Private View*, come September. In honor of the *Private View* exhibition that took place in June in Beijing, **China**, **Taschen** is publishing a limited-edition volume of some of the photographer's most celebrated images—only 1,500 copies will be sold, all signed by Testino himself. The book includes a selection of celebrity photographs that include the likes of **Gwyneth Paltrow**, **Princess Diana**, **Lady Gaga** (who graces the cover), and some of his best fashion and advertising shots. So **fashionistas**, pre-order it now to ensure you have it on your bookshelves, and until it arrives, shop Lady Gaga's cover look. —[Laura Randaccio \(@LauraRandaccio\)](#)
