## PARIS Portrait of a City

edited by Jean Claude Gautrand

Weighing in at a hefty 10 pounds, this impressive tome recounts the history of the French capital through more than 500 photographs, from Daguerre's early incunabula to images from recent decades. Editor Gautrand combed dozens of archives, libraries and private collections to amass this remarkable record of everyday life and urban transformation as captured by the lenses of photographers both celebrated—Atget, Lartigue, Brassai, Kertész, Cartier-Bresson, Doisneau—and unknown. *Taschen*, \$69.99.
