

TAKE... a voyeuristic look into the life of Marilyn Monroe with Lawrence Schiller's *Marilyn and Me*, a poignant new book on the tragic icon. One of only four photographers still alive who shot the Hollywood star, Schiller unveils some beautiful, previously unseen photos from the set of Monroe's two final films. With little under 2,000 copies available globally, it's set to be the most coveted collector's item of the summer. (£650, approx. €800) @ taschen.com.
