Style Icons of an Epic Era

1st August 2012 At the beginning of the 20th century, women's clothing was corseted and mobility was limited with long, flowing and layered skirts. By the end of the century, a revolution had taken place, including natural free shaping. *Fashion – A History of the 20th Century* beautifully illustrates through text and stunning photos the enormous changes that took place, and explores the influence that designers such as Gabrielle Chanel, Christian Dior, Mario Fortuny, Yves Saint Laurent and many more, demonstrated over the decades. The impressive assortment of distinctive designs, plus hats, bags, shoes has been collected by The Kyoto Costume Institute. This is an inspirational and informative book for fashion and social history enthusiasts. Published by TASCHEN www.taschen.com JG
