

MARILYN AND ME: A MEMOIR IN WORDS AND PHOTOGRAPHS

Book

Laurence Schiller

Undeniably one of the world's most influential style icons, the legendary Marilyn Monroe ignited the infamous career of photographer, screenwriter, producer and director Laurence Schiller. Schiller's intimate story, told through his own words and revealing selection of photographs, paints a previously private picture of the life of one of the 20th century's most celebrated screen sirens. His extraordinary photographs, (over two thirds of which have never or rarely been published), unveil their surprising connection and capture the star in the midst of her final struggle. The Collector's Edition has been signed by Schiller... both the book and clamshell box are covered in a custom woven duchesse silk from one of the world's most distinguished silk mills, Taroni, of Como, Italy.
