

Marc Newson – Works (Art Edition)

Hardcover with leather inlay, in a Micarta slipcase. Taschen, 610 pages, £3,500

Marc Newson has designed everything from chairs to restaurants and even a spaceship. This Australian industrial designer is, undoubtedly, the most acclaimed and influential designer of his generation. This comprehensive tome catalogues everything from his early pieces such as the record breaking Lockheed Lounge to timepieces and jewellery. *Time* magazine included him in their 100 Most Influential People in the World. After reading of his achievements one can understand why. This hardcover *Art Edition*, limited to 100 copies, with leather inlay, is written in English, French and German. There is also *The Collector's Edition* (Nos. 101–1,100) numbered and signed, each in a linen covered slipcase for a mere £650. – **VS**
