## Shooting Stars

Mario Testino has snapped some of fashion and pop culture's most iconic images for the likes of *Vogue*, *W* and *Vanity Fair*. This month he debuts his 11th book, ***Mario Testino: Private View*** (\$70, Taschen), which features a collection of glamorous portraits as well as candid photographs of celebrities, supermodels and the fashion elite, including Kate Moss, Madonna, Gwyneth Paltrow and Anna Wintour. Bonus: shots from *Vanity Fair*'s famous 1997 cover story with the late Princess Diana. —*Aminata Dia*
